

Maui Powder Works, LLC- Limited Warranty

General Disclaimer: Final invoicing may include any additional labor and materials that is otherwise unknown or undisclosed by the customer as it pertains to the estimate; or which may arise during the restoration process. Not responsible for any irregularities in the powder coat finish due any unforeseen impurities, current state or quality of metal as a consequence of its age and/or corrosion, construction or fabrication. The powder coat process acts as a protective finish only and does not warranty in any way the structural soundness or future performance of your metal part and/or mechanism. **Estimates are good for 60 days.**

Payment Policy: Prepayment for all special order powders and 50% deposit on orders over \$500. Final payment is due upon completion. Check, Visa, MC, Amex accepted.

Additional Disclaimer: New Metal Fabrication

- Handrails and fencing that is not welded solid and allows moisture to build up in places and/or corrode that the powder coat cannot penetrate. MPW is not responsible for these areas that will rust and/or have electrolysis failure after installation.
- Weldments and frames that have overlapping metals trap moisture and will rust and/or corrode if the overlapping metals are not seal welded. MPW is not responsible for the rust and/or have electrolysis failure that will build up and spread from those areas.
- Sharp edges must be rounded to be able to hold an appropriate mil thickness of powder coat. Sharp edges that are not rounded will rust and/or have electrolysis failure. MPW is not responsible for rust and/or corrosion that occur because of sharp edges.

The MPW warranty covers all coated parts for 12 months from the invoice date. MPW warrants against cracking, peeling, or excessive fading due to normal climatic exposure. Damage to the finish caused by mechanical abuse such as scratches, rough handling, installation, or vandalism is not covered by this warranty. Design and/or welding flaws such as pin holes, overlapping steel placements, or non-sealed welds that allow moisture to build up causing rust, corrosion and/or have electrolysis failure are not covered by this warranty.

This warranty shall apply to the repair or replacement of coatings (at MPW discretion) of the material involved and shall not include reimbursement of consequential expenses such as installation, removal, equipment, or transportation costs.

The following acts and/or omissions will void the warranty:

- Physical damage due to transport or installation
- Contact with salt water
- Contact with Chlorine, fertilizer pesticides, or industrial chemical agents
- Contact with sprinkler systems, tree sap, entangled vegetation (maintenance issues)
- Alteration of coating by owner or agent
- Physical damage due to acts of God

Maui Powder Works, upon notice and determination of valid claim, will re-coat parts at their own expense. Maui Powder Works is not liable for the cost of take down, re-installation or transport of effected parts. Maui Powder Works reserves the right to inspect and use its chosen agents to determine cause for failure of coating.

The above constitutes the complete warranty of Maui Powder Works. No other agreement written or implied is valid.
